## VENTURA'S VETERANS AFFAIR CLINIC & KELLY CLEANING

Kelly Cleaning is always proud of the work that we perform. Not only is it gratifying knowing that we perform at the highest standard, but it is also gratifying knowing that we clean certain buildings dedicated to helping others.

Ventura's Veterans Affairs Clinic is soon to open its doors with the capacity to care for 40,000 veterans. This project will be able to help those who need it the most and have given so much to this country we call home. Because of these men and women that served the US, we have been able to live our lives knowing that there are brave people out in the world keeping us safe and progressing our lives into the future.

These kinds of projects are not far and few in between in our everyday operations. Whether we clean Veterans Affairs Clinics, complexes for the elderly, or personal homes throughout the county we think of the residents or guests that will eventually be using these spaces. It is one of the driving forces behind our high quality services!

Kelly Cleaning has been doing construction cleaning on the VA Clinic for the last three weeks and we are excited for the future guests to see our handiwork and dedication to making this building sparkle! Below are some pictures of our technicians hard at work!

**Sierge, I just had my rug cleaned by a different company and it feels really crunchy! Why does it feel like this and how do I make it soft again?**

Dia Duit! Your rug feels crunchy you say? Well I'm sorry to hear that, but it seems like you had your rugs cleaned with the wrong chemicals. But no need to worry, for I, Sierge the Kelly Concierge, am here to help.

See, when you have your rugs cleaned improperly, there are many areas where things can go wrong. Some of the things that need to be cared for the most are:

- Making sure that the colors don't bleed
- Using the correct product to remove stains and clean your rug
- Rinse the product until absolutely no chemicals are left
- Drying correctly as to not create odor or mold issues

Luckily, Kelly Cleaning's Ultimate Rug Spa and I know exactly how to do this to fix your rug.

At the Ultimate Rug Spa we will pamper your rugs until they are saying Ahhh... At the Ultimate Rug Spa we will perform:

- A bleed test to make sure your rugs colors won't run
- Extract all dust and dander from the fibers of your rug before the cleaning process
- Exfoliate the fibers of your rug with our new rug cleaning machine to rejuvenate and perk up your rug

- Rinse thoroughly
- Finally we will use our rug centrifuge to dry your rug.

All of these steps are what is necessary to take your rug from feeling crunchy to feeling soft and supple like the first day you bought it.

So if your rug is feeling crunchy or if you think that you need to show your rugs some love, head over to the Ultimate Rug Spa at 1445 Donlon St. Suite 2 in Ventura for our Grand Opening Event on June 15, 2022. Or give us a call at (805) 644-0846 to learn more about our services! We guarantee that your rugs will be saying Ahhh by the end of their visit.

# Service Spotlight

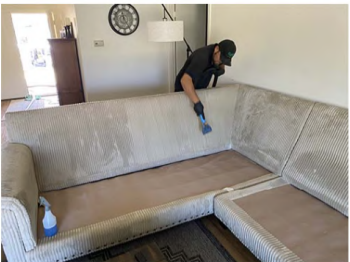

June's service spotlight will be dedicated to something that probably all of us need. The service that we would like to showcase is our **upholstery cleaning services!**

Let's admit it, we have all done some things on furniture that we aren't proud of. Maybe you're eating a snack on your favorite recliner chair and you drop a piece of it onto your upholstery. It's not that big of a deal right? Well now everytime you take a seat on your chair you notice that there is a small stain where you dropped your food. Then you take a longer look at your chair and realize that it's not the only stain that you see... There are in fact lots of small stains that are popping up, and you know your chair used to have vibrant colors when you first bought it and now it's oily looking. If this is you, then maybe it's time for you to have your upholstery cleaned. Kelly Cleaning can take care of your upholstery cleaning at lightning speed right on your property! With our truck mounted

steam cleaning units we can service anywhere in Ventura County, Santa Barbara, Malibu and even to Simi Valley to clean your upholstery. Our technicians are trained to clean all types of furniture upholstery and remove many if not all stains!

If your furniture needs more of a deep cleaning, let's say one of your animals had an "accident" on your furniture and you can't get rid of the smell. We can take your furniture over to the Ultimate Rug Spa where we will use our Hydroxyl Generator Room to remove that odor from the source. After removing the odor we can clean the furniture and deliver it back to you.

If you are interested in having your furniture upholstery cleaned, look no further than Kelly Cleaning! Give us a call at (805) 644-5308 or call the Ultimate Rug Spa for a deep cleaning at (805) 644-0846. # ULTIMATE Rug Spa's GRAND OPENING

*...Where Rugs Say Ahhh*

Lads and Lassies, the time we have all been waiting for is here! The grand opening event of the Kelly Ultimate Rug Spa will happen from June 15, 2022 Grand through June 29, 2022.

During the Grand Opening Event, any newcomers attending will receive a small gift and a special discount for any rug or furniture they would like cleaned. The Ultimate Rug Spa will also be able to share more information about their Ultimate Membership.

The Ultimate Rug Spa Membership is a highly customized cleaning program for your rugs and furniture. The membership will be individually created for any rugs or furniture you want cleaned on a regular basis. If you want to have your rugs or furniture cleaned yearly, bi-annually, or even quarterly, we have the membership for you.

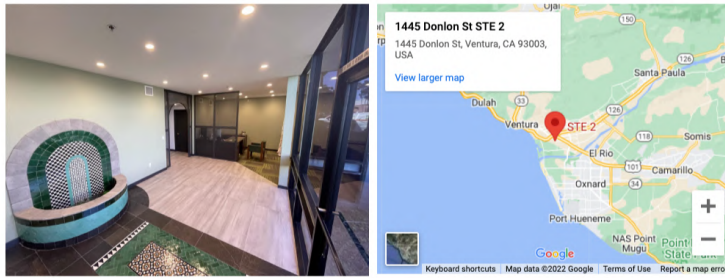

Our customizable plans will be able to cater to all different types of rugs or furniture. If you have a luxury persian rug or a machine made rug we will

treat each piece as if it were owned by the Maharaja. The Ultimate Rug Spa can create reminders for ease of scheduling service; you'll have the choice of pick up and delivery or drop-off services.

But why would you want a membership with the Ultimate Rug Spa? Not only will your pieces be pampered at the spa, but you will also be able to enjoy clean and great feeling pieces all the time. Our premium cleaning services promote longer life for your furnishings, as dirt and grime deteriorates fibers and they wear out quickly. We have created these multiple service increments to fit your needs; if you have very little traffic through your house then the yearly service is for you. Cleaning your rugs will add years of life to your rug and have them looking and feeling amazing. If you have children, animals, dirty partners, or guests that don't know how to wipe their feet at the door, then maybe a bi-annual or quarterly service is for you!

The Ultimate Rug Spa's grand opening will be on June 15, 2022
