45TH ANNIVERSARY

Well Lasses and Lads, this is a very momentous occasion that not very many organizations can say they have achieved. The month of February 2023 begins the 45th year Kelly Cleaning has been in business and has no intentions of slowing down now.

Based on the information provided by the Bureau of Labor Statistics:

- 20% of businesses fail within the first two years of business
- 45% fail within the first five years
- 65% fail within the ten years

Overall, only 25% of businesses make it past the 15 year mark of service. Kelly Cleaning has tripled those years of business. We are proud of the business relationships we have established. We are also grateful for the loyalty and continued business with our clients.

Kelly

CLEANING & SUPPLIES, INC

Some of Kelly Cleaning's clients have been using our services for over 35 years. Not to mention that we have Kelly Technicians and cleaners working with Kelly for over 30 years. All of these years represent the good things that Kelly has been able to achieve not only with impeccable service but, also, by treating our clients and our staff with the utmost respect.

This company's morality and mentality stems from one person. That one person being Margo Kelly, the sole owner and heart of the company. She started a business in a male dominated market and in a time where it was very rare for a woman to even own a business. When Kelly Cleaning started in 1978 only 5% of all businesses during that time were woman owned and Margo Kelly was a part of that small percentage.

Her fortitude, resiliency, and strong sense of how to run a business has created an empire that she still maintains to this day. I think if anyone is deserving of love, it is Margo Kelly. Sláinte to Margo!

SIERGE'S SOLUTION

Dia Dhuit (JEE-uh Gwitch) = Hello

Dia Duit and may the road rise up to meet ya! February, the month of love! I would call myself somewhat of an expert in matters dealing with love, but I'd be pulling my own leg. However, I can offer some advice for gifts or things you can do with your special someone. To make it easy for you I will put it all in an easy to digest list format:

Things to do:

- Sunset Dinner at Boccali's in east end Ojai
 - A nice drive, a beautiful locale, and great food is what is needed for a great evening
- Picnic and watch the waves at Serra Cross in Ventura
 - A picturesque location and a perfect place to catch some cool coastal sun
- Escape Room and Food at the Collection in Oxnard
 - A great bonding and collaborative evening if you are looking for something to keep your minds challenged

Gift ideas:

- One can never go wrong with a box of chocolates from See's Candies
- A kodak FunSaver single use camera for fun and save precious memories
- A "Reasons Why I Love You" fill in the blank book is a true tear jerker
