So gather yer ingredients, shake things up, and toast to the joys of the season with a sip of this sweet and savory cocktail.

To craft this exquisite libation, ye'll be needin' the followin' ingredients:

- 1 dash of mezcal, for a touch of smokiness
- 2 ounces of reposado tequila, for a smooth and rich flavor

- 2.Next, in a shaker filled with ice, combine the tequila, honey syrup, and lemon juice.
- 3.Shake it like the dickens until it's well-chilled and properly mixed.
- 4.Strain the mixture into yer prepared glass over fresh ice.
- 5.Finally, top it off with 2 dashes of Angostura bitters and garnish it with a twist of lemon peel for an extra touch of zest.
