## HONORING LOYALTY: CARPET CLEANING FOR YORBA OIL JUNE

This June, as the sun shines brighter and summer begins to stir, we want to take a moment to celebrate loyalty—both ours and yours.

Our featured service story comes from our long-standing partnership with **Yorba Oil**, a client that has been utilizing Kelly Cleaning's Janitorial Services for an incredible **18 years!** As a token of our appreciation, Kelly Cleaning recently gifted them with a complimentary carpet cleaning service.

True to our flexible approach, our technician arrived after hours, set up our high-power **steam cleaning truck mount unit**, and performed a deep carpet steam clean. The result? Fresh, clean carpets to greet our client the next day! ➡

**Continued from page one:**

In these volatile economic times, appreciation matters more than ever. We know many of our clients have been with us through thick and thin, and we want to say: **Thank you.** Whether you're a new client or a decades-long partner, your support keeps us going.

**Dia Dhuit (Jee-ah ghwitch) = Hello!**

Dia Dhuit, lads and lasses top o' the mornin' to ya! Sierge here with some vital advice if you've rugs on your floor and moths at your door. These wee devils can wreak havoc on your lovely wool rugs if you let them!

Here are some grand DIY tricks to keep your rugs safe:

- ✨ Vacuum Regularly: Moths hate a clean rug. Pay special attention to corners and under furniture.
- 🌿 Use Mothballs or Cedar Chips: Place under furniture near rugs to repel moths.
- 🌿 Essential Oils: A light mist of diluted lavender or eucalyptus oil can help deter pests (always spot test first!).
- ⚠️ Inspect Often: Roll back rugs every few weeks and check for signs of larvae or bare patches.

If you do find signs of an infestation, don't panic—bring your rug to the Ultimate Rug Spa for a deep cleaning and pest removal spa treatment. If caught early, your rug can be saved!

Keep those rugs lookin' grand!

**Sláinte (Slon-che) = Cheers!**

Please raise a cheer for **Janeth Salazar**, our Cleaner of the Month for June! Though Janeth only started with Kelly Cleaning this past March, her exceptional attention to detail and positive client feedback have made her stand out immediately.

Her diligence and dedication reflect the best of Kelly Cleaning, and we are proud to have her on our team.

Sláinte, Janeth!

Father's Day is coming up on Sunday, June 16, and Ventura County has plenty of great ways to show Dad your appreciation. Here are a few ideas:

- 🎣 Fishing at Lake Casitas — Pack a cooler and rent a boat for a relaxing day on the water.
- ⚾ Catch a Game at The Ventura County Fairgrounds — Check the calendar for motorsports or local baseball games.
- 🌿 Hike and Sunset Picnic in Ojai — Combine adventure and tranquility with a scenic trail and a bottle of local wine.
- ☀️ Backyard BBQ — Fire up the grill, crack open a cold drink, and spend the day with family.

While gifts and events can certainly make Father's Day fun, it's the time spent together and the heartfelt expressions of love that truly make the day special. Your attention and genuine appreciation are the most precious gifts you can give. Make this Father's Day memorable by showing the father figures in your life just how much they mean to you.

Wherever and however you celebrate, we wish all the dads out there a Happy Father's Day!
