## SUMMER CLEANING SPOTLIGHT: SCHOOLS REJUVENATED

When summer rolls around, our Kelly Cleaning team hits the ground running—cleaning, polishing, and prepping schools for the year ahead. This year, as students ventured off for vacation, our skilled technicians were hard at work restoring schools across Ventura County to their pristine best.

From Villanova Preparatory School to The Thacher School and Child Development Resources, we provided comprehensive floor care—stripping and waxing hard surfaces, steam-cleaning carpets, and revitalizing area rugs. With nearly two consecutive months of late-night efforts, our crew brought fresh energy to school hallways, classrooms, and offices, ensuring every space welcomed students with gleaming floors.

**Continued from page one:**

We're incredibly thankful for our loyal education clients and immensely proud of our technicians, whose dedication and elbow grease turn hard work into outstanding results. Whether your facility needs deep cleaning, upholstery care, window washing, or floor restoration—Kelly Cleaning has the tools and experience to do it right.

**Dia Dhuit (Jee-ah ghwitch) = Hello!**

Dia Duit lasses and lads! Ah now, if there's one place in the home that can sneak up on ya like a mischievous leprechaun, it's the bathroom grout! Those wee dark spots of mildew and mold love to make themselves at home in the tile lines. But don't be frettin'—Sierge's got a trick or two up his sleeve.

First, mix up a grand wee potion: equal parts baking soda and white vinegar. Give it a stir, then spread it along the grout with an old toothbrush (the scrubber, the better!). Let it fizz and bubble like a pint of stout for 10 minutes, then scrub away those beasties and rinse well. For stubborn spots, a dash of hydrogen peroxide will finish the job nicely.

But if the thought of kneelin' in the shower with a brush in hand makes your back ache just thinkin' about it, give Kelly Cleaning a shout. We'll have those tiles gleamin' like a rainbow after a summer rain—quick as you please! Just call us at (805) 644-5308 and we'll do the hard work for ye!

**Sláinte (Slon-che) = Cheers!**

Congratulations to **Edgar Lopez**, our star Technician of the Month for August! Edgar has been part of Kelly Cleaning since 2020, and this June he was promoted to our elite technician team.

Clients rave about his attention to detail and his positive, friendly approach, calling him out by name in reviews. Your commitment makes us shine, Edgar—cheers to your success and enjoy that well-earned \$50 prize! Sláinte to Edgar!
